Matching Gift Program

Purpose

Belden Inc.'s Matching Gift Program is designed to encourage Belden associates to support nonprofit organizations. The program offers a way of combining personal contribution with Belden gifts, thereby contributing substantially to organizations of particular interest.

Program Participant Eligibility

All full-time Belden associates who have at least six (6) months of continuous service are eligible to participate. This includes any associate on short-term disability.

Gift Match Eligibility

To be considered for a matching contribution, the gift must be a personal cash contribution of an eligible participant actually made and not merely pledged for future payment.

Amount of Contribution

Belden's Matching Gift Program will match eligible gifts on a dollar-for-dollar basis to qualifying nonprofit organizations. Each gift must be no less than \$50 and total no more than \$5,000 or 10% of annual base salary, whichever is lower, per eligible participant each calendar year (January 1 – December 31). The \$5,000 maximum applies to one large gift to a single institution, or several smaller gifts to a single institution, or smaller gifts to a variety of qualifying nonprofit organizations. Eligible gifts will not be carried over and applied to the next year's maximum.

Bonus Match

Belden will make a Bonus Match (double the associate's contribution) of gifts to an eligible organization in which an associate is actively involved. To qualify for a Bonus Match, an associate must hold a managerial non-paying position with the organization, work as a committee or board member, or be a service volunteer on a regular basis. This involvement must be certified by the organization to which the associate contributes.

Dollars for Doers Program

Purpose

Belden Inc.'s Dollars for Doers Program encourages and recognizes active Belden associates who donate a significant amount of time to a nonprofit organization in their community. The program provides a grant for a nonprofit organization in which an associate has continuing active involvement.

Associate Eligibility

All full-time Belden associates who have at least six (6) months of continuous service are eligible to participate. This includes any associate on a flexible work arrangement.

Associate Participation

To be considered for a grant, 40 hours of volunteer services must be completed for an organization within a twelve (12) month period.

Amount of Contribution

Belden Inc. will make a \$500 contribution one time per year to a qualifying nonprofit organization. The contribution check will be presented to the organization by the associate and a representative of the Company.

Program Terms

1. All applications received from nonprofit organizations will be paid as received.
2. The financing, administration and application of this program is determined solely by Belden Inc., which has authority to modify, suspend, revoke or terminate this program at an time without prior notice. Any misuse of these funds or abuse of these guidelines will preclude further participation in either the Matching Gift or Dollars for Doers Program.
3. Belden Inc. must receive by December 5th any request for a contribution match made by program participants late in the calendar year to be eligible for a match.

Program Limitations

1. The Matching Gift or Dollars for Doers Program will not make a contribution to the following organizations: United Way or similar federated fund campaigns; fraternal, social, political, union or veteran organizations; churches or religious denominations or theological schools or other religion-related groups; lobbying or advocacy groups of any type; athletic organizations; insurance premiums; dues to national or local alumni groups; bequests or payments in exchange for services rendered (e.g. tickets, memberships, tuitions, subscriptions, advertising, and/or dinners); and organizations which represent a conflict of interest for any associate of Belden Inc.
2. The Dollars for Doers grant cannot represent payment in exchange for, or in expectation of, monetary or other benefits to be given to the Belden associate volunteer or any person or organization named by the Belden associate volunteer.
