Annual Minimums and Maximum

Each eligible Boeing employee participant may be matched 1:1 up to a maximum of 6,000 USD
in each calendar year (minimum donation is 25 USD or 25 volunteer hours). The maximum can
be used for any combination of monetary contributions or volunteer hours.

Eligible retiree monetary contributions may be matched at 50% (50 cents for every 1 USD
contributed) up to 3,000 USD in each calendar year (minimum donation is 25 USD). Employees
who submit a gift match request and retire before the gift is paid will be matched at $.50 on the

year in matching gifts.

Eligible Gifts

• Gifts must be tax-deductible, charitable contributions of 25 USD or more.
• Gifts must be current contributions made directly by the Boeing donor to the eligible
organization from the Boeing donor’s own assets. Gifts must be made, not merely
pledged. A matching gift cannot be used to satisfy a personal pledge (e.g., a pledge of
2,000 USD cannot be satisfied by 1,000 USD from the donor and 1,000 USD from
Boeing’s match).
• Gifts may be made via cash, check, credit card or securities. Securities will be matched
on the basis of the closing price on the date of the gift.
• Gifts made within a particular calendar year must be registered by the donor by the
following January 31. The recipient organization must confirm receipt of a gift within 30
days of the donor registering the gift.

Gifts made by or through community trusts or similar organizations, including charitable
remainder trusts, personal foundations or donor advised funds can be matched at the time of
disbursement to the eligible non-profit.

Humanitarian Relief

In times of natural disaster, the company may decide to run a special appeal and match employee contributions to a particular non-profit. During a special appeal, the company may raise the non-profit maximum donation amount above the 150,000 USD annual maximum.

December 2014
Donations made through a special appeal will be considered part of the 6,000 USD employee annual gift match allowance and 3,000 USD retiree annual gift match allowance.

**GIFT MATCH PROCESS AND ADMINISTRATION**

There are three simple steps for a donor to complete a gift match followed by three simple steps for a recipient organization to confirm the gift.

**Register Your Gift**

**Step 1:** Eligible Boeing donor first makes the contribution directly to the eligible organization.

**Step 2:** After first making your donation directly to the non-profit, go to Total Access and click on My Community Giving – Gift Match. This will take you to the gift match home page.

**Step 3:** Once on the gift match home page, you will be able to register your gift or your volunteer hours and will need to select the appropriate recipient organization and enter the gift amount, and date of the gift.

You will have the ability to print a confirmation of your gift registration. Gifts made within the calendar year must be registered by the donor by the following January 31 of the following year (example: gifts made in 2013 must be registered by January 31, 2014).

Note that gifts may also be registered by phone using a valid BEMS ID by calling the TotalAccess Call Center at 866-473-2016. Please have the gift information including amount, organization name, and date available.

**Non-profit confirmation**

**Step 1:** The recipient organization will receive an email with a link and instructions to go to the Boeing gift match website.

**Step 2:** The organization must log in and confirm receipt of a gift or volunteer hours within 30 days of the donor registering the gift (the organization may take this step as soon as the gift is registered). Confirmation takes place within the gift match website.

**Step 3:** Once confirmed by the organization and subsequently approved by Boeing, a gift will be recorded as eligible and matched.

**NOTE:** Recipient organization must also confirm compliance with eligibility criteria and program guidelines upon logging into the system.
If the non-profit does not confirm the gift within 30 days, the gift will be declined, however, this does not deem the gift ineligible. An employee may submit a new gift match request for the same gift but it is advised to make sure the non-profit confirms the gift within the 30 day window.

### PAYOUT SCHEDULE

- Boeing matching gift payments will be sent directly to the recipient organization.
- Payments will be made on a quarterly basis unless otherwise noted.
- Gift Match requests must be submitted by the employee and confirmed by the non-profit no later than the deadline dates listed below to be considered for each quarter’s payment processing.

### Administration of the Program

Boeing reserves the right to decline to match any donation to an organization whose practices are, in the determination of the company, inconsistent with company goals and policies that do not meet the eligibility criteria.

Boeing regularly evaluates the program to ensure the process adheres to stated guidelines and our commitment to corporate citizenship, including periodic reviews of organizations receiving matching funds from our programs. Organizations selected for review may be required to provide documentation verifying receipt of individual donations for each participant.

Boeing may suspend, change or terminate this program at any time. The interpretation, application and administration of the program shall be determined by The Boeing Company, in its sole discretion.

Failure to abide by program rules or providing any false or misleading information in connection with a matching gift request could result in disciplinary action including termination, as well as possible civil or criminal liability.

Boeing reserves the right, in its sole discretion, to discontinue funding and to require the return of the matching gift grant amount, or any portion thereof, and any income earned thereon, if you provide Boeing with any false or misleading information or make any misrepresentations in connection with this request for a matching gift.
