

# Hosted Option

Customize your own matching gift and volunteer grant page that will be hosted on Double the Donation's website. Share this URL everywhere, from a "ways to give" page to email newsletters to donation confirmation screens. Donors simply follow the link and can then easily submit matching gift guidelines and forms.

It's easily customizable and can be set up in minutes with almost no technical skills. This option is perfect for organizations with fewer than 1,000 annual donors.
