S&P Global

The S&P Global ("the Company") Matching Gift Program provides the opportunity to help maximize the impact of employee charitable giving through corporate matched donations.

**ELIGIBLE PARTICIPANTS**

All active full-time employees and directors of the Company or any of its subsidiaries are eligible to participate. Retirees are also eligible for up to three (3) years after they leave the Company and are no longer active employees or directors.

The spouse of a deceased employee of S&P Global is eligible for a one-time gift match.

**ELIGIBLE ORGANIZATIONS**

- **US organizations**: Only US employees may request a match to an eligible organization in the US. An eligible organization in the US must be tax-exempt under Section 501(c)(3) or Section 170(c)(1) of the US Internal Revenue Code and qualify as a public charity under the code. 
  
  **Note**: K-12 public and private schools are eligible for a match. Private schools must be accredited.

- **UK organizations**: Only UK employees may request a match to an eligible organization in the UK. An eligible organization in the UK must be a UK registered charity or one that would be accepted by the Inland Revenue as having charitable status.

- **Non US and UK organizations**: For all other countries (non US and UK), employees may choose from a suggested list of eligible organizations in their country that will be made available via a PDF at S&P Global. These organizations have successfully submitted the required documentation to confirm their eligibility in the past and we expect they will be approved for a match (although there is no guarantee until they have passed a vetting process). You may submit an application for other organizations to be considered. 
  
  **Note**: Before a match can be approved, we will need to establish the organizations’ eligibility which may take several weeks depending on how quickly the organization responds to our request for documentation.

Organizations and activities NOT eligible for matching include: religious, sectarian, political or lobbying, professional associations, fundraising organizations, private foundations, fraternities, sororities, marathons or similar events.

**WHAT CONTRIBUTIONS ARE ELIGIBLE?**

- Donations must be from an employee’s personal funds, which have been paid directly to an eligible organization in the form of check, credit card or marketable securities with a quoted market value.
- The Company will match only the tax-deductible portion of the gift.
- The minimum gift eligible for matching is $25 (or the equivalent). For installment gifts, each match request must be submitted separately and meet the $25 minimum gift requirement.
- The maximum amount matched per employee per calendar year is $3,000 (or the equivalent). If the employee makes several contributions, gifts will be matched in the order received, up to the maximum annual employee limit for the calendar year.
- The employee’s annual limit is based on the date of the gift.
- Matching Gift applications must be submitted within 90 days of the gift date.
- You may be asked to provide proof of your contribution in the form of an email confirmation, cancelled check, bank statement, credit card statement, or a transfer of stock certificate.

**WHAT GIFTS ARE NOT ELIGIBLE FOR MATCHING?**

Gifts that the Company will NOT match include: in-kind contributions, subscription fees for publications, membership fees, insurance premiums, tuition payments, books or student fees, contributions to individuals, fraternities, sororities or labor organizations, dues or gifts payable to national or local alumni groups that are not distributed to the affiliated educational institution, gifts to schools where admission is restricted because of race or creed, gifts for non-scholastic programs such as athletics or stadium construction, ticket purchases, benefits, payments where direct value is received, gifts of eligible employees’ spouses not employed by the Company, gifts of real or personal property (except marketable securities), bequests or life income trust arrangements, tithes or other religious-related financial commitments, gifts intended to fulfill pledges or cumulative gifts from several individuals reported as one contribution, gifts made through participation in marathons, walks or similar activities.
